

DEVINE CENTER MOBILITY SCULPTURES The Devine Knitters group & Daniel Harding, Clemson School of Architecture

Knitters and crocheters meet weekly at St. Julian Devine Community Center to create colorful, artistic sculptures wrapped in yarn. These knitted pieces will be positioned on the lawn of the St. Julian Devine Community Center at 1 Cooper St. and we will encourage interaction with the community-created, life-sized knitted bike, roller skates, skateboard and trolleys.

The Devine Knitters meet Monday's at 5:30 in the 3rd Floor of St. Julian Devine Community Center, 1 Cooper Street. All are welcome and all materials are provided.
