History Matters
The Evolving Waterfront:
a history of land reclamation on the Charleston Peninsula

THURSDAY, MAY 11
5:30PM - 7PM

Clemson Design Center
Cigar Factory, Suite 202
701 East Bay Street

Historic Charleston Foundation presents Christina Butler, accomplished historian and preservationist, to discuss an illustrated history of the growth of the Charleston peninsula.

Experience photographs and stories inspired by AWAKENING V from Charleston Development Academy called Becoming Flood Resilient Citizen Scientists, on display exclusively at this event!
