

## LOWCOUNTRY RAPID TRANSIT HUB Kevan Hoertdoerfer and Ashley Jennings - Architects

Local architects Kevan Hoertdoerfer and Ashley Jennings will design and construct a temporary structure at the exact location of the future Lowcountry Rapid Transit Hub. The temporary structure will serve as a conversation-starter to help residents discuss the future transit hub's impact on the community. Located at the corner of Meeting Street and Mt. Pleasant Street, the temporary design will be activated with performances, lectures, and information, all free and open to everyone.

The structure will be safe, inviting, visually impactful, and completely open to the public.
